

Dear Parents & Guardians:

Please note that for the safety of our all students, staff, and other service participants at Excelsior Wellness Center we search student backpacks daily to maintain safety and ensure drug paraphernalia and other dangerous items are not brought on to our campus. Security cameras and other security devices to ensure the safety of your student may also be used.

We appreciate your support! Please direct any questions to the office EHS's Vice President of Education/Principal.

Sincerely,

Aaron D. Chavez

VP of Education/Principal
Excelsior Holistic Schools
