Subject: Online Services

Dear Parents,

As you have probably heard by now President Trump has declared a national emergency and Washington State Governor Inslee has closed all public and private schools from March 17 to Friday April 24.

Our plan at Excelsior Holistic Schools is to continue serving our students to the best of our ability by sending home if needed a school laptop so that students can access our online Oddessyware curriculum. Their teacher will monitor their progress and require lessons be completed each day and week.

If you do not have access to the internet at home we will send home a packets of work that must be completed by the end of each week.

If you have questions, please feel free to call or text my cell phone number at:  
509-596-6482

Keep the faith!
