

September 8, 2020

Dear Parent, Guardian,

Just a quick reminder that school is starting back up the week of September 14<sup>th</sup>. That week is an "A" week so students assigned to the A group will attend school only on Tuesday, September 15<sup>th</sup> and Thursday, September 17<sup>th</sup>. Students assigned to the B group will attend on campus, Wednesday, September 16<sup>th</sup> that first week and when it is an "A" week. We will be visiting and issuing laptops and learning packets on Monday, September 14<sup>th</sup>.

As you know, your child's safety is our first priority, and we are going to do our best with screening staff and students this year for COVID -19 as they enter school. If students or staff exhibit symptoms they will be isolated with supervision, sent home and any area within the school they came into contact will be cleaned and sanitized. If it is deemed necessary, we will keep a classroom/pod of students and staff home and remote learning for a short period of time to clean and sanitize and for testing to occur if needed, before they return back to on campus learning.

In addition, by sending your child to school this year you are acknowledging and accepting the risks involved with COVID-19. Students and staff will adhere to social distancing and be required to wear masks and if requested full face shields, however we cannot guarantee these safety measures will fully mitigate the Covid-19 risks.

Finally, even with this "new normal" we are planning to have a great school year! We are excited to have our students back in our schools and working again on their social, emotional, and academic goals. If you have any questions, please feel to reach out.

Sincerely,

Aaron Chavez, Executive Director  
Excelsior Holistic Schools
