

October 22, 2021

Dear Excelsior Parents & Guardians,

Excelsior Holistic Schools has learned of a confirmed case of COVID-19 in our Middle School Classroom. We are following all safety precautions and requirements outlined by the Department of Health and the Spokane Regional Health District (SRHD).

When there is a confirmed positive COVID-19 case, our contact tracing team immediately conducts an investigation to compile a list of close contacts. Any individual considered to have been in close contact, received a separate communication with additional information regarding testing and quarantine requirements. Staff and students that are not notified by the contact tracing team, have been determined not to have had close contact with the confirmed case.

As a result of this confirmed case, we will be moving our Middle School classroom ONLY remote for the week of Monday, October 25th – Friday October 29th. Middle school students will receive work packets, laptops, remote counseling, etc. as needed.

All our other classes will be on our normal scheduled time.

We appreciate your support and flexibility.

Sincerely,

Aaron Chavez, Superintendent/Principal
Excelsior Holistic Schools
